

Housed in the historic Arcata Women's Clubhouse, the Sanctuary is a space dedicated to making and experiencing art in the community. We promote diverse neighborhood interactions, interdisciplinary art facilities, educational programs, live music, gallery exhibitions, community events, and an artist residency program. The Sanctuary thrives on the shared efforts of volunteers, artists, and our dedicated neighbors.

CREATIVE SANCTUARY
is dedicated to creative
growth through the arts.
We encourage people to teach,
inspire, and know each other.
